RE: Docket #98N-1038 "Irradiation in the Production, Processing and Handling of Food"

Dear Sir or Madam:

I believe the FDA should keep its requirements to prominently label irradiated packaged foods and non-packaged foods by always displaying the radura logo along with the words "treated with irradiation." I feel alternative terms such as "cold pasteurization" are misleading and should never be used.

Sincerely,

A handwritten signature in black ink, appearing to read 'Siri Atma S Khalsa', written over a horizontal line.

Siri Atma S Khalsa

CC: Congressman Julian Dixon
